What are information questions?
Information questions begin with **what, when, why, who, where,** or **how.** We use them to get more information in conversation.

English	Raise both hands until your next turn.	classical music	play
---------	--	-----------------	------

Move back 3

cousin	smartphone	Touch your nose until your next turn.	yoga
--------	------------	---------------------------------------	------

science	sing	Italy	Coca-Cola
